

Throwing It Out In Brookhaven

Your Guide to Recycling and Sustainable Materials Management

Enclosed information applies only to Town of Brookhaven residents in 1, 2, and 3-family homes.

Residents of incorporated villages should contact their village government.

Residents of apartment buildings, condos, and other private communities should contact their managing agency.

The contents of this brochure are subject to change.

What does the Department of Recycling and Sustainable Materials Management do?

The Department of Recycling and Sustainable Materials Management is responsible for the environmentally secure disposal of everything that residents no longer want. Federal and State regulations require specific disposal methods and limits that must be followed. These regulations address mandatory recycling, proper handling of hazardous materials, and environmental protection. The complexities and expenses are considerable. Collection and disposal requirements reflect these regulations. The following are the Department's major responsibilities:

- Landfill, Ashfill and Transfer Station operations
- Contracted curbside collection from 1, 2 and 3-family homes
- Roadside litter and illegal dumping cleanup
- Inspection services
- Materials Recycling Facility operation
- Hazardous Material operations
- Equipment maintenance
- Public education

What is my carter required to do?

Collect an unlimited number of 32 gal. containers (no bungees or attached lids, no corrals) or bags (under 50 lbs.) of household trash each collection day.

The Town defines household trash as anything generated from your kitchen or bathroom waste baskets.

Collect 4 additional bulk items on the last collection day.

Collect recyclables separately from garbage on Wednesdays.

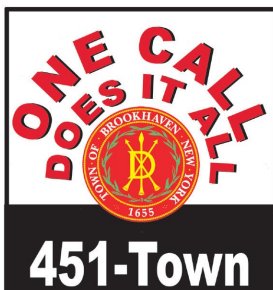

Sticker and leave waste that is not placed at the curb according to the town code.

Collect yard waste separately from other solid waste.

ALL ITEMS FOR CURBSIDE COLLECTION MUST BE PLACED AT ONE CURBSIDE LOCATION PER PROPERTY. WASTE ITEMS FROM YOUR HOME MUST BE PLACED IN FRONT OF YOUR HOME ONLY.

What if my carter doesn't do what he should?

If the carter is not complying, please alert the Department of Recycling and Sustainable Materials Management at 451-TOWN as soon as possible so that we can remedy the problem effectively. Complaints are recorded and tracked. If a pattern of non-compliance is found, financial penalties can be imposed.

Department of Recycling and Sustainable Materials Management

One Independence Hill
Farmingville, NY 11738

Office Hours: Monday-Friday 9 a.m. - 4:30 p.m.
www.brookhavenny.gov

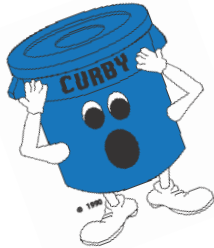

Reporting a Problem!

Unregistered Vehicles:

The Department of Recycling and Sustainable Materials Management handles unregistered vehicles on private property and the Department of Public Safety handles unregistered vehicles on the street. To report an unregistered vehicle call 451-TOWN.

Litter: To report litter on the side of a town road or on private property please call 451-TOWN. A roadside clean-up crew will remove litter from town roads. A sanitation inspector will be sent out to inspect litter on private property and determine if there is a violation of the town code. As needed, the sanitation inspector will contact the owner of the property to correct the violation.

News & Events

The Department of Recycling and Sustainable Materials Management holds special events such as SHREDDING EVENTS, E-WASTE RECYCLING EVENTS and THE ANNUAL GREAT BROOKHAVEN CLEAN-UP.

Please visit the Town of Brookhaven's website for the latest information on upcoming events.

www.brookhavenny.gov

WEEKLY COLLECTIONS

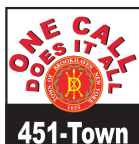

If you do not know your garbage collection days please call the Department of Recycling & Sustainable Materials Management at 451-TOWN.

SELECTED SUNDAY NIGHTS: YARD WASTE is collected by the Department of Recycling and Sustainable Materials Management during 20 specified weeks. Material must be bundled & tied and/or containerized and at the curb on Sunday night in a separate location from your household garbage. The carters will make only one pass through each area during the week, Monday through Saturday. The collection schedule for yard waste is on your recycling schedule. (see page 10 for rules)

MONDAY/TUESDAY: HOUSEHOLD WASTE is collected on Mondays or Tuesdays depending on where you live. Material must be at the curb by 6:00 AM on your collection day. Household waste is defined as anything that originates from your kitchen or bathroom waste baskets. You are allowed unlimited 32 gallon cans or plastic bags of household garbage, each weighing no more than 50 lbs.

WEDNESDAY: MANDATORY RECYCLING is collected every week on Wednesdays. Paper recyclables and mixed CURBY can recyclables are collected on alternate Wednesdays. Your items must be placed at the curb prior to 6:00 AM on Wednesdays. (see page 11)

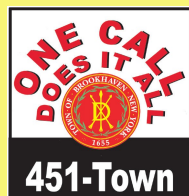

THURSDAY/FRIDAY: HOUSEHOLD WASTE & BULK ITEMS are collected on Thursdays or Fridays depending on where you live. In addition to the unlimited household waste, residents are allowed to put out **4 bulk items** (see page 9). Materials must be at the curb next to their household garbage prior to 6:00 AM on your collection day.

***HOLIDAYS: HOLIDAYS** are marked on your magnetic recycling calendar. Collection is canceled on designated holidays.

RESIDENT ALERT!

- If residents put out more than their contracted amount of waste, or if cans or bags are too heavy, the carter will “sticker” the debris to alert the resident to contact the Department of Recycling and Sustainable Materials Management for an explanation. They will leave the stickered debris but will collect the regular household garbage.
- Household waste is defined as anything generated from your kitchen or bathroom waste baskets.
- Bulk items include debris from cleaning out homes, attics, basements, garages.
- Garbage should be placed at the curb the evening before your designated pick up day or before 6 a.m.
- Pails are to be no larger than 32 gallons and not heavier than 50 lbs.
- Do not use bungee cords or attached lids on garbage cans. These can cause injury to the carter.
- Please first consider donating your items such as clothing, toys, etc. before discarding them in the trash. See next page for a list of organizations looking for your donations.
- Recycling/Yard Waste collection schedule is available online at: www.brookhavenny.gov
- The Town of Brookhaven’s Landfill allows residents to dump up to their **1st 500 lbs. (of their 1st trip) of debris for free on Saturdays. Any further trips will be charged.** Materials must be brought in non-commercial, non-altered, single-axle vehicles with single-axle trailers, pick-ups, or vans. You must use your personal pick-up, van or car.
- Must show proof of residency to enter town facilities.
- **NO GRASS CLIPPINGS:** Grass clippings can be brought to the Manorville Compost Facility for free.

ACCEPTABLE CURBSIDE ITEMS

Acceptable Materials	How to Prepare Materials
Animal Waste household pet waste only	Bagged and placed in regular household garbage.
Appliances, small toasters, irons, etc.	If one item, bag with garbage; if multiple items schedule a metal pick-up.
Batteries AA, AAA, C, D & 9 Volt	Discard with regular household trash as per NYSDEC.
Clothing	Bagged and placed with regular garbage as bulk. Consider donating items to charity.
Coals & Wood Ash	Must be cold; bagged and placed in regular household garbage.
Loose glass/ceramics/mirrors	Sealed in a box; label "GLASS" and placed out as bulk.
Medical Waste syringes, sharps, IV tubes, dressings	Sealed in capped impermeable container with small amount of bleach in the bottom. Duct tape to seal and label "CONTAINS SHARPS". This can then be placed in regular garbage.
Smoke Detectors	Discard with regular household trash as per NYSDEC.

UNACCEPTABLE CURBSIDE ITEMS

Item	What do I do with it?
Animal Bodies, deceased (no diseased livestock)	May bring to the Town Landfill for a fee.
Boats, whole or cut up, Jet Skis, other motorized vehicles (Boat Disposal Certification form must be filled out at Landfill)	May bring to the Town Landfill for a fee. Must be drained of all fluids. Must be completely stripped of all motors, batteries, gas tanks.
Car/Truck/Boat Batteries	May bring to the Town Landfill for free.
Cement, Concrete Blocks (clean)	May bring to the Town Landfill for free.
Construction/Demolition Debris asphalt, contractor-generated & major renovation debris	May bring to the Town Landfill for a fee.
Electronics	May bring to the Town Landfill for free, to a Town sponsored E-Waste Event or a retailer.
Glass/Mirrors—unsupported plate glass	May bring to the Town Landfill for a fee.
Grass Clippings	May bring to the Manorville Compost Facility for free.
Hot Tubs and other Fiberglass Items	May bring to the Town Landfill for a fee.
Paint - all types	May bring to the Town Landfill for free.
Pianos, Organs, Pool Tables, Ping-Pong Tables	May bring to the Town Landfill for a fee.
Pick-up Truck Caps	May bring to the Town Landfill for a fee.
Railroad Ties	May bring to the Town Landfill for a fee.
Tanks: propane, helium, oxygen, acetylene, Freon, diving Remove valve to ensure tank is empty.	May bring to the Town Landfill for free.

ACCEPTABLE BULK ITEMS

Residents are allowed to put out no more than **4 bulk items** on Thursdays or Fridays depending on where you live.

Acceptable Materials	How to Prepare Materials
Auto Parts - tires (residential vehicles only) - plastic, rubber, fabric, - non-metallic parts	- Remove tires from rims - All fluid must be drained - Must weigh less than 50 lbs - No metal parts - Landfill will accept no more than 4 residential tires per day (rims removed). Commercial tires are not accepted.
Bedding headboards, box springs, mattresses, wood frames	Dismantled, each part is considered one bulk item.
Carpet/Rugs/Padding	Cut to 6 foot lengths, rolled and tied, each roll is considered one bulk item.
Construction/Demolition Debris - items from homeowner's do-it-yourself projects: scrap lumber, tiles, insulation, pegboards, sheetrock, pvc pipes, etc. - no major renovation debris	- Bags or containers (less than 50 lbs; nothing protruding above the rim of 32 gallon pail) - Bundled & tied - no larger than 4'x2'x2' (less than 50 lbs.) - Nails must be removed or flattened - Large panels must be cut in half, each half is considered 1 bulk item.
Doors solid wood doors, wood garage doors, hollow-core wood doors	Solid & garage doors must be cut in half, each piece is one bulk item.
Fencing - stockade fencing - PVC/vinyl fencing - wood rail/split rail - picket	- Stockade, pvc, vinyl & wood rail/split rail sections must be cut so as they are not larger than 4'x2'x2' (each piece is 1 bulk item). If bundled and tied; bundle must weigh less than 50 lbs. - Loose pickets & rails must be less than 4' long; bundled and tied (less than 50 lbs.)
Furniture couches (without recliners), chairs, recliner chairs, tables, shelves, dressers, etc.	Each item is considered one bulk item. Please keep all drawers inside dressers.
Glass/Mirrors/Ceramics Loose Glass/Mirrors/Ceramics	- Wrapped, taped, and marked "GLASS" - Sealed in a box and labeled "GLASS"
Pallets/Skids	Must be cut in half; each half is one bulk item.
Pools molded plastic, soft plastic, above ground	Liners and soft plastic must be cut to 6 foot lengths, rolled, and tied each roll is one bulk item.
Windows wood frame and plastic frame	Glass must be taped on both sides; each window is one bulk item.

*** See page 13 for acceptable Special Collection items.

YARD WASTE

- All bags, bundles or containers must be at the curb on Sunday nights preceding highlighted collection week according to the recycling schedule.
- The carter will make only **one pass** through each area during the week, Monday through Saturday.
- There is a limit of 50 yard waste items per week.

ACCEPTABLE MATERIALS	HOW TO PREPARE MATERIALS
Brush Twigs Small Branches (up to 6" diameter) Wood Chips Hedge Clippings Holiday Trees (NO bagged, artificial or decorated trees)	• Bundle, bag or place in 32 gallon garbage can, lids removed, nothing protruding above the rim of 32 gallon pail • Bundles must be securely tied • Bundles must be no larger than 4'x2'x2' • 50 lb. limit per item • Holiday trees over 6' must be cut in half • No more than 50 items per week • Place at curb, separate from garbage, on Sunday nights preceding yard waste weeks.
Leaves, Acorns, Weeds, Hay Mulch, Thatch, Pine Cones/Needles, Non-woody Plants	• Must be bagged; 50 lb. limit per bag • No more than 50 bags per week • Place at curb, separate from garbage, on Sunday nights preceding yard waste weeks. • Can be brought to the Manorville Compost Site for free. (loose or paper bags only)

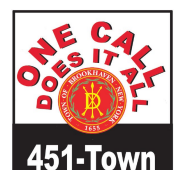

BRUSH AND/OR LEAVES: These items can be brought to the Landfill at no fee. Materials must be brought in non-commercial, non-altered, single-axle cars with single-axle trailers, pick-ups, or vans.

NOT ACCEPTABLE FOR YARD WASTE COLLECTION:

- Large branches (over 6" diameter), logs or stumps
- Brush protruding above the rim of a 32 gal. container
- Loose brush or leaves, dirt, sand & **GRASS**

NO LOGS, LARGE BRANCHES, OR TREES: These items can be brought to the Landfill at no fee. Materials must be brought in non-commercial, non-altered, single-axle cars with single-axle trailers, pick-ups, or vans. You must use your personal pick-up, van or car.

NO GRASS CLIPPINGS: Grass clippings can be brought to the Manorville Compost Facility for free. To best manage grass, the Town advocates the use of a mulching mower, mowing more frequently with a traditional mower, or home composting of grass clippings.

Recyclables

Residents are required by law to participate in Brookhaven's CURB (Clean Up Recycle Brookhaven) mandatory recycling program. **MANDATORY RECYCLING** is collected every week on Wednesdays. Commingled CURBY can recyclables and paper recyclables are collected on alternate Wednesdays. Your items must be placed at the curb prior to 6:00 AM.

CURBY cans can be purchased for \$20.00 at the Town Clerk's Office in Town Hall, the Landfill and at Manorville Compost Facility.

NOTE: Residents can request a **FREE RECYCLE BROOKHAVEN** sticker to identify their recycling can. ALL acceptable recyclable material may be brought to the Town Landfill free of charge.

PLASTICS & METAL RECYCLING

In a CURBY can, a designated 32 gallon container with a Recycle Brookhaven sticker, or an open top 32 gallon container.

METAL CANS

- Tin, aluminum, and bimetallic cans
- Aerosol spray cans (empty & caps removed)
- Empty/Rinse cans; do not crush
- No cans contaminated with toxic chemicals

RIGID PLASTICS #1, #2 and #5

- Look for symbol on bottom of container:
 - water/soda bottles (caps removed)
 - milk jugs
 - detergent bottles
 - tubs of yogurt, butter, etc.

- Emptied/Rinsed
- **NO** plastic bags
- **NO** motor oil containers
- **NO** Styrofoam

GLASS BOTTLES AND JARS ARE NO LONGER ACCEPTED WITH YOUR RECYCLABLES. You may place in your regular garbage or drop off free of charge at one of our satellite locations listed below: (see page 17)

- Brookhaven Landfill Resident Drop
- Brookhaven Town Hall
- Manorville Compost Facility
- Holtsville Ecology Center
- New Village Recreation Center
- Rose Caracappa Center
- Henrietta Acampora Recreation Center
- Mastic Recreation Center
- Fireman's Field
- Comsewogue Library
- Center Moriches Library
- Setauket Fire Department
- West Meadow Beach

Many glass beverage containers may also be returned to many supermarkets, grocery stores or beverage distribution centers.

PAPER

In your CURBY can or tied with natural fiber twine or in brown paper bags. **NO PLASTIC BAGS, string or wire.**

PAPER

- Newspaper
- Color inserts
- Magazines
- Junk mail
- Catalogs
- Envelopes
- School paper
- Index cards
- Yellow legal pads
- Books:
 - paperback - keep in tact
 - hard covered - covers need to be removed and placed in regular trash.
- Construction paper / Kraft paper
- Office paper
 - Fax paper
 - White ledger
 - Manila folders
 - Copy paper
- Sweepstakes forms
- Wrapping paper (non metallic/foil)
- **NO** waxed paper
- **NO** metallic paper
- **NO** soiled paper (i.e. tissues, paper towels, napkins, etc.)
- **NO** shredded paper

CARDBOARD

Corrugated / Non-Corrugated

- Broken down/flattened
- **NO** milk/juice cartons
- **NO** egg cartons
- **NO** soiled cardboard (i.e. greasy pizza boxes, etc.)

Electronics Recycling

Beginning January 1, 2012, New York State mandates that residents may **NOT** place electronic waste at the curb for pickup. New York State law now requires manufacturers to take responsibility for recycling of electronic equipment that they produce. Manufacturers must provide free and convenient acceptance programs for NYS consumers to properly reuse and recycle their waste electronic equipment.

NOTE: VOLUME ACCEPTED MUST BE INDICATIVE TO RESIDENTIAL USE. THE TOWN HAS THE AUTHORITY TO LIMIT VOLUME AND/OR REJECT ACCEPTANCE OF MATERIAL.

Residents can recycle their **intact** electronic items at the **Brookhaven Town Landfill**, Monday through Saturday during its operating hours or contact your local retailer to see if they offer any take back programs. A licensed e-waste recycling company, under contract with the Town of Brookhaven, provides safe processing and recycling of these items. Components will be separated into reusable metals, plastics, glass and chemical recyclables. Please visit the Town of Brookhaven's website, www.brookhavenny.gov, for a listing of **E-Waste Recycling Events**.

Please visit the NYS Department of Environmental Conservation's website at <http://www.dec.ny.gov/chemical/66872.html> for a full list of the electronic equipment covered by this law.

Rechargeable Battery Disposal

Beginning December 5, 2011, no person shall knowingly dispose of rechargeable batteries as solid waste at any time in the state. (NYS ECL §27-1805)

The law requires businesses who sell rechargeable batteries to collect and recycle the batteries statewide in a manufacturer funded program at no cost to consumers.

Retailers shall take up to ten such batteries per day from any person regardless of whether such person purchases replacement batteries.

Most rechargeable batteries contain toxic metals that can be released into the environment when improperly disposed. These batteries should NOT be placed in the garbage. Residents may bring these batteries to the Hazardous Waste (STOP) Facility at the Town Landfill or dispose of them through a retailer.

Batteries covered by the new law:

- Nickel-cadmium • Sealed lead • Lithium • Ion • Nickel metal hydride
- Any other such dry cell battery capable of being recharged
- Battery packs containing any of the above-mentioned batteries

Please visit the NYS Department of Environmental Conservation's website at <http://www.dec.ny.gov/chemical/72065.html> for more information regarding rechargeable battery disposal.

Call the Department of Recycling & Sustainable Materials Management at **631-451-TOWN** to schedule pickups of recyclable **scrap metal** and **special collection items!**

Scrap Metal Recycling

Appliances and other **scrap metal** items will be collected from your curbside **separately** from household garbage by the Town of Brookhaven. Contact the Department of Recycling & Sustainable Material Management at **631-451-TOWN** when items are at the curb, separate from your household garbage and ready for collection. **NOTE:** Scrap metal can be dropped off at the Brookhaven Landfill and Manorville Compost Facility at no charge.

ACCEPTABLE MATERIALS: appliances, air conditioners, metal bathtubs, dismantled swing sets, water heaters, metal lawn furniture, metal pool frames, metal framed windows, pots/pans, auto engines, chain-link fence, fence poles (free of concrete), boat trailers, bicycles, household hardware, barbecue grills, metal doors, lawnmowers, decorative metal fencing.

PREPARING MATERIALS:

- Doors must be removed on refrigerators & freezers.
- Remove all fluids from auto engines & lawn mowers.
- Oil tanks - only collected if tank is cut and cleaned.
- Fence poles, swing sets, gazebos, tents, basketball hoops, etc. must be dismantled and free of concrete and non-metallic parts for collection and/or drop off at the Town Landfill.
- Chain link fence must be cut to 20' lengths, rolled, & tied.
- Boat trailers must be disassembled for curbside collection.

NOT ACCEPTABLE FOR CURBSIDE COLLECTION:

- Helium/Propane Tanks - only small party-size helium tanks, camping & BBQ sized propane tanks may be brought to the Town Landfill for free. Remove valve to insure tank is empty.
- Chicken/Turkey wire & mesh type metals (rolled and securely tied) and wire animal cages may be brought to the Town Landfill for free.

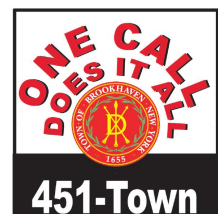

Special Collections

The Town of Brookhaven will collect the following special items at curbside **separate** from your household garbage:

- Sofabeds, couches with recliners, day-beds, sliding glass doors, car seats and large or projection TVs

Please have items placed at curb separate from your garbage before calling the Department of Recycling & Sustainable Material Management at 631-451-TOWN to schedule a collection.

Please keep items intact and tape any glass!

RESIDENTIAL HAZARDOUS HOUSEHOLD WASTE

NO Commercial or business generated hazardous material accepted.

NOTE: VOLUME ACCEPTED MUST BE INDICATIVE TO RESIDENTIAL USE. THE TOWN HAS THE AUTHORITY TO LIMIT VOLUME AND/OR REJECT ACCEPTANCE OF MATERIAL.

STOP Program

(Stop Throwing Out Pollutants)

To prevent contamination of our groundwater, the following items should be disposed of at the Town's Household Hazardous Waste (STOP) Facility at the Brookhaven Town Landfill.

Materials must be transportable, in sealed containers and clearly labeled indicating product. Containers brought to the facility cannot be returned unless a technician is on hand.

Lawn and Garden Products

- Fungicides
- Herbicides
- Insecticides
- Pesticides
- Rodenticides

Automotive Products

- A/C Refrigerants
- Antifreeze
- Auto body putty
- Carburetor cleaners
- Gasoline—residents can bring up to 10 gallons per day during STOP hours only.
- Oil additives
- Starter fluid
- Used motor oil mixed with solvents, cleaners, water, etc.

Other Products

- Aerosol cans
- Batteries: button-type, nickel/cadmium
- Rechargeable batteries
- Lighter fluid
- Liquid mercury
- Mercury switches
- Mercury vapor lights
- Photographic chemicals
- Pool chemicals
- 1 lb. Propane tanks
- Sludge
- Solder

Household Products

- Adhesives
- Bathroom cleaners
- Carpet cleaners
- Disinfectants
- Drain cleaners
- Driveway sealers
- Dry cleaning fluids
- Fire Extinguishers
- Fluorescent bulbs (limit 10)
- Furniture polish
- Mothballs
- Oven cleaners
- Paint strippers/thinners
- Room deodorizers
- Silver polish
- Spot removers
- Toilet bowl cleaners
- Turpentine & thinners

Paint is now accepted for recycling through the NYS PaintCare program. Architectural paints, varnishes, and more are now taken separately from the STOP program. See the next page for details.

STOP Program's Hours of Operation

April 1 - October 31:
Wednesdays and Saturdays, 8 a.m. - 12 noon

November 1 - March 31:
Saturdays, 8 a.m. - 12 noon

Explosives, ammunition, flares, fireworks, radioactive materials, medical waste, asbestos and large drums are not accepted at the STOP Facility.

PAINT RECYCLING PROGRAM

Paint is now accepted for recycling through the NYS Paint Stewardship program. Administered by the nonprofit PaintCare, this will keep paint from being thrown away and will instead recycle it to the highest extent possible. The Town hosts a residential paint drop-off site at the landfill. This drop-off is open to all Brookhaven residents during landfill open hours. **Please bring paint in its original container.**

COMMERCIALLY GENERATED PAINT IS NOT ACCEPTED AT THIS FACILITY.

Acceptable Products

- Latex-based paint
- Oil-based paint
- Water-based paint
- Stains
- Varnishes
- Lacquers
- Shellacs
- Primers
- Sealers
- Undercoatings
- Deck coatings, floor paints (ie elastomeric)
- Metal coatings

LIMIT 10 GALLONS PER DAY

Unacceptable Products

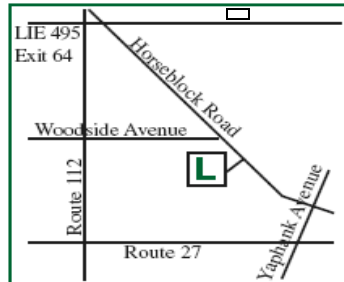

- Paint thinners
- Solvents
- Auto and marine paints
- Caulking compounds
- Aerosol Cans (Spray Paint)
- Art and craft paints
- Asphalt, tar, and bitumen-based products
- 2-component coatings
- Deck cleaners

BRING THESE PRODUCTS TO
STOP FACILITY (SEE PAGE 14)

LARGE VOLUME PICKUPS AVAILABLE THROUGH PAINTCARE

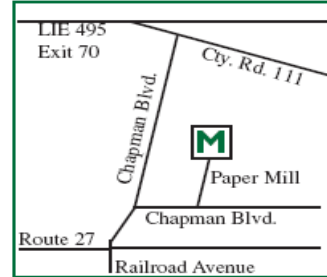

PaintCare offers a pickup service to households and businesses that have accumulated 100+ gallons of paint. If this applies to you, please contact PaintCare directly at [paintcare.org](https://www.paintcare.org)

Waste Oil Drop-Off Locations

L Landfill, Horseblock Road
Brookhaven

Town Landfill
350 Horseblock Rd.
Brookhaven, NY 11719
Monday-Friday 7am - 3pm
Saturday 7am - 12 noon

M Manorville Compost Site
Paper Mill Road, Manorville

Manorville Compost Site
Paper Mill Rd.
Manorville, NY 11949
Monday-Friday 7am - 3pm
(closed for lunch 11:50-12:30)

Please Note: Ralph's Fishing Station no longer accepts waste oil.

WASTE OIL

The following residentially generated used **waste oil** may be brought to any of the above locations.

- **Motor oil, kerosene, cooking oil, brake fluid, hydraulic fluid, transmission fluid, clean diesel fuel, clean home heating oil.**
- It must be pure oil only; no oil mixed with gasoline, sludge, solvents, cleaners, water, antifreeze, etc.
- Residents can bring up to 10 gallons per day, per household but it must be in 5 gallon (or less) containers.
- There is **no fee**.

NOTE: VOLUME ACCEPTED MUST BE INDICATIVE TO RESIDENTIAL USE. THE TOWN HAS THE AUTHORITY TO LIMIT VOLUME AND/OR REJECT ACCEPTANCE OF MATERIAL.

DO NOT dump down storm drains, in the street or dispose of with regular garbage. If it is mixed with cleaners, or solvents please bring to the STOP facility at the Town Landfill.

Motor Oil Filters - Used **motor oil filters** can also be recycled at the Town Landfill and the Manorville Compost Site. Must be free of oil.

Car/Truck/Boat Batteries - Undamaged batteries can be brought to the Town Landfill and the Manorville Compost Site.

RECYCLING STICKER PROGRAM

Brookhaven Town's new sticker program encourages recycling by making it easier to designate an appropriate recycling receptacle.

Residents can now use their own receptacle with a

Clean Up...Recycle Brookhaven sticker. Stickers are FREE to all Brookhaven households and are available at the following Town locations or by calling 631-451-TOWN:

- Brookhaven Town Hall
One Independence Hill
Farmingville, NY 11738
- Mastic Rec. Center
Herkimer St. & Classon Ave.
